DETAILED ACTION

112 Rejections Withdrawn

The rejection of claims 15-18 under 35 USC 112, second paragraph, outlined in the previous Office Action, has been overcome by applicant's amendment. The amendment cancels the claims.

102 Rejections Withdrawn

The rejection of claims 15-18 under 35 USC 102(b), outlined in the previous Office Action, has been overcome by applicant's amendment. The amendment cancels the claims.

103 Rejections Withdrawn

The rejection of claims 1-14 under 35 USC 103(a), outlined in the previous Office Action, is withdrawn. Upon further consideration, the examiner agreed with applicant that the fact pattern of *In re May* (the case law used as the basis of the rejection) is not replicated in the instant application and thus *In re May* cannot form the basis of a viable obviousness rejection. The instant method is thus neither taught nor suggested by US 6,184,222 B1 in view of US PGPub 2002/0010216 A1.

Allowable Subject Matter

Claims 1-14 are allowed, vide supra.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
